

LAKEVIEW ELEMENTARY SCHOOL

November 30, 2011

To Whom It May Concern:

I highly recommend Connor Berry as a candidate for a teaching position. I had the pleasure of working with Mr. Berry as his Master Teacher for the 2011 school year.

While a student teacher, Mr. Berry was involved in many aspects of our school community. Mr. Berry quickly became an active member of our staff participating in professional learning communities (PLC). He was a vital part of implementing a cumulative hands-on science unit of a simulation of a space shuttle. Mr. Berry has a strong background and love of history which is evident in his engaging and knowledgeable lesson plans.

Mr. Berry has a wonderful rapport with people of all ages, especially children. His ability to connect with students and his talent at incorporating technology into lessons are both truly superior. He works well with colleagues, staff, and administration.

I highly recommend Connor Berry without reservation. He would be an excellent addition to any staff.

Sincerely,

Mrs. Heidi Sabio, MA, MS
